

Tomorrow's workforce needs your help today!

Donate to the Idaho Career Technical Education Foundation's scholarship fund!

The Idaho Career Technical Education Foundation's (ICTEF) mission is to stimulate and promote quality career technical education to fill the needs of Idaho's workforce.

We do that by giving \$16,000 to Idaho's secondary and postsecondary CTE students through our three competitive scholarships each year:

\$500

Merit Scholarship

Purpose: Defray costs of attending career technical student organization (CTSO) conferences.

Quantity Available: 20
(two per secondary and two per postsecondary CTSO)

\$1,000

Tools for the Trade Scholarship

Purpose: Purchase tools and supplies related to postsecondary CTE program of study.

Quantity Available: Five

\$1,000

Anne Veseth Memorial Continuing Education Scholarship

Purpose: Continue CTE program of study at a postsecondary institution.

Quantity Available: One

Why donate to ICTEF?

If you're reading this, you believe in the value of career technical education. Whether you owe your success to a CTE program, or your business has benefitted from the talent pipeline CTE programs create, your donation ensures today's students have the support they need to succeed in tomorrow's workforce. Regardless of the amount, all donors receive:

- A 501(c)(3) tax exempt receipt.
- Acknowledgement on the ICTEF website's homepage.
- Recognition in the Student Day at the Legislature (SDAL) program and during the program of events.
- Your company name and a link to your company's website on the ICTEF website's Industry Partners page.

More donations mean more scholarships can be awarded!

Yes, I support ICTEF!

I'm interested in making a tax-deductible donation to support ICTEF's scholarship fund:

- Merit Scholarship (\$500)
- Tools for the Trade Scholarship (\$1,000)
- Anne Veseth Memorial Continuing Education Scholarship (\$1,000)

Connect your business with the leaders of today and tomorrow!

Support Student Day at the Legislature!

The Idaho Career Technical Education Foundation's (ICTEF) annual Student Day at the Legislature (SDAL) is your opportunity to network with legislators, discuss the importance of CTE education in creating a talent pipeline for your business.

Why support and attend SDAL?

- Build your network as you meet and dine with Idaho Legislators.
- Learn what's happening in education to prepare future employees for your business.
- Find out how you can position yourself to have a greater impact on the future of career technical education policy and performance.
- Enjoy an education update from our governor.
- Hear from one of ICTEF's scholarship winners (see reverse for donation opportunities!).

\$500
